Lions Clubs International is the world's largest service club organization.

We have more than 1.4 million members in more than 48,000 clubs worldwide.

Lions are everywhere. We're active men and women in more than 214 countries and geographic areas.

Lions have a dynamic history. Founded in 1917, we are best known for fighting blindness -it's part of our history as well as our work today. But we also volunteer for many different kinds of community projects - including caring for the environment, feeding the hungry and aiding seniors and the disabled.
