

Minutes from District 34C Governor's Team Conference Call
January 10, 2014

Those present:

DG Ron Mitchell

1st VDG Glen Elmore

ZC Claudia Wigglesworth

GMT Mary Turner

CS Yvonne Burroughs

Meeting was called to order by DG Ron Mitchell. There will be no teleconference in February, because the Winter District 34C Cabinet Meeting and Training will be held on February 15, 2014 in Atmore.

1st VDG Glen Elmore gave a report on his visit to the Montgomery Dixie Lions Club. He also told us of his DGE training in Atlanta with 40+ people attending. DG Ron informed us the Daleville and Eufaula clubs have had the most growth in the District. ZC Claudia has helped with their progress. CC Ron Seybold will feature the Daleville process in the District 34 Newsletter.

DG Ron feels that we should all have this type of Membership Drive every year; just as we have a favorite service project or fundraising project. Membership drives should be a part of our club culture, because we lose members each year for different reasons. DG Ron thinks that Baby Boomers who are retiring are prime prospects.

1st VDG Glen has been pushing for Presidents and Secretaries of the clubs to get election of officers under way.

We are making progress in getting clubs to file activity reports.

ZC Claudia said the only club in her zone she has not visited is Ashford, because their meetings fall on days when she has other obligations. Daleville is getting ready to have their Annual Senior Breakfast and Fundraiser. She regrets she will not be able to attend the February Cabinet Meeting.

GMT Mary reported the Tillman's Corner Lions Club Charter Night would be January 21, 2014 and that Greater Dothan Lions Club's Charter Night would be held January 31.

1st VDG Glen informed us that Charter Night for the Greater Dothan Club is January 31, 7:00 pm at St. Andrews Market. The cost is \$20.00.

CS Yvonne reported on the progress of the Leo Club at Vigor High School. There are 20 + members and they elected officers. CT Gloria Gordon, the Lions Club

Advisor, has completed the necessary paperwork and we are waiting for approval. We hope that some of the Leos will be able to help with our Pancake Breakfast. We discussed the Pancake Breakfast at Applebee's that the Eight Mile Lions Club is having on February 1.

DG Ron talked about the Chevron Awards for longevity. When DG Ron, 1st VDG Glen and 2nd VDG Dora visit they will be giving the Chevron Awards. Dora is going to visit Fairhope and Foley. Ron gave us the name of the person with Tillman's Corner Lions Club we need to contact if you want to attend their Charter Night.

DG Ron feels the weakest link in our District is the position of Zone Chair. We only have three active Zone Chairs

We discussed CEP.

We discussed the Club Health Assessment data. We have gained two members District-wide since last year.

The Peace Poster winner for the District is from Brewton and she has won the State, also.

District 34C Conference Cabinet Meeting and Training is on February 15 in Atmore.

Next teleconference is Friday, March 14, 2013 at 6:00 pm.

Meeting adjourned.
