

Lions Adult Eye Clinic

Mobile County Health Department

In an effort to increase the availability of primary eye care to those adults unable to secure an affordable source, the Lions Club partnered with the Mobile County Health Department to establish such a program. Through the generous support of the Lions Club International Foundation and the Eye Sight Foundation of Alabama this facility has been established.

This service is available to all Mobile-Baldwin area Lions Clubs. The prices for an examination and glasses, including a \$10 per patient Lions' equipment credit, are as follows:

Single lens – \$65.00

Bifocal lens - \$77.00

Trifocal lens - \$81.00

Memorandum of Understanding

The fees and responsibilities are set out in a memorandum of understanding between the Lions Club of Mobile and the Mobile County Health Department. If your club wishes to participate, you are requested to execute the memorandum of understanding amendment and mail it to the following:

Howard L. McCane, Jr., B.S., M.P.A.

Clinical Administrator, Health Services

251 N. Bayou Street

P.O. Box 2867

Mobile, AL 36652-2867

The MOU provides for monthly billing to the club. The club's Sight Chair or designated member should provide contact information for billing and follow up purposes.

Lions Referral Certificate

A certificate of referral is suggested to verify your club's referral to the Mobile County Health Department. A copy of our referral form is attached for your reference. Please modify to your club's needs.

Lions' Assistance Point of Contact

Please contact me if I may assist your club in utilizing this opportunity to provide primary eye care for your club's sight program.
